Course language

Although some courses are taught mainly in German, the names of steps and figures naturally remain in English. Everyone with a basic knowledge of German is welcome to these courses.

Workshop for musicians

This is open to anyone with a good command of their instrument. In the daytime there will be classes as well as time for practising or resting. The evenings provide an opportunity to play for

the dancers, or to join in the dancing. Music notes will be emailed in advance so that a few pieces can be practised beforehand, so please apply in good time.

Application and cancellation:

Please ring us or send us an e-mail to find out whether there are still free places, and if so transfer a deposit of **€80** per person within three weeks of confirmation to our bank account (No. 8356, Kreissparkasse Schlüchtern, bank code 530 513 96, International Bank Account No. DE74 5305 1396 0000 008356, SWIFT-BIC: HELADEF1SLU). The remainder of the fee is to be paid in Euros during the course. By prior arrangement participants from countries with high bank charges can pay the entire sum on arrival. The fees cover full board and lodging plus tuition. Bed linen can be brought, or hired for €5 per set. We offer a reduction for students, but there is no reduction for people who arrive late or leave early, or who book accommodation elsewhere when there are still beds available in the house. Beer, wine, soft drinks and mineral water are available at all times at very reasonable prices.

Since cancellations always involve work and expense these should be avoided if possible. Should you have to cancel up to 8 weeks before the course starts we offer to transfer the deposit to another course of your choice within the next 2 years, or to refund it minus €10 charges. Should you cancel within 8 weeks of the course starting we keep the entire deposit to help cover the loss unless we are able to fill the place, in which case the above applies. If you aren't sure, you are welcome to ring us up until a course begins: it may be full, but places often become available at short notice.

If you have any questions, or aren't sure which course would best suit your dancing ability, please don't hesitate to ring us. Information about the house and facilities, travelling here, other events, etc. can be found under <http://www.kuckucksnest.com>.

If you are not on our mailing list and would like to receive our programme and other SCD infos from the Kuckucksnest please send us an Email to: info@kuckucksnest.com.
